Transfer of Control

Grant of Authority

Date of Action: 11/27/2018

**Current Licensee:** Mitel Cloud Services, Inc.**FROM:** Mitel Networks Corporation**TO:** MLN TopCo, Ltd.

Application filed for consent to the transfer of control of Mitel Cloud Services, Inc. (MCSI), which holds international section 214 authorization ITC-214-19920731-00066, from Mitel Networks Corporation (Mitel) to MLN TopCo, Ltd. (TopCo). Pursuant to an April 23, 2018 Arrangement Agreement, MLN AcquisitionCo ULC (MLN), a wholly-owned subsidiary of TopCo formed to effectuate this transaction, will acquire all of the shares of Mitel in an all-cash transaction, including Mitel's net debt. Mitel and MLN will subsequently amalgamate under Canadian law to form a new combined entity, Mitel Networks ULC (New Mitel), a British Columbia entity. The shares in Mitel's U.S. subsidiaries will be transferred from New Mitel to MLN US HoldCo LLC (US HoldCo), a Delaware limited liability company, through a series of steps. As a result, MCSI will become a wholly-owned indirect subsidiary of TopCo through a number of intermediate holding companies.

TopCo is a wholly-owned subsidiary of Searchlight II MLN, L.P. (Master Aggregator LP), a Cayman Islands entity, that serves as an aggregator of an investor group led by funds affiliated with Searchlight Capital Partners, L.P. (Searchlight), a private equity investment group. Upon consummation, the following Cayman Islands entities will hold ten percent or greater direct or indirect ownership interests in Master Aggregator LP and, thus, will hold an indirect equity and/or voting interest in MCSI: Searchlight Capital II, L.P. (100% indirect voting; 24.49% indirect equity of MCSI); Searchlight Capital II PV, L.P. (100% indirect voting; 15.87% indirect equity of MCSI); Searchlight II MLN (CD), L.P. (Aggregator LP) (100% indirect equity in MCSI as a 53% limited partner of Master Aggregator LP); Searchlight Capital II PV MLN AIV, L.P. (26% indirect equity in MCSI as a 26% limited partner of Aggregator LP); and Searchlight Capital II MLN Co-invest Partners, L.P. (100% indirect equity interest in MCSI as a 74% limited partner of Aggregator LP). Applicants state that the general partner of Master Aggregator LP is Searchlight Capital Partners II GP, L.P., also a Cayman Islands entity, which, in turn, is controlled by Searchlight Capital Partners II GP, LLC (Searchlight GP, LLC), a Delaware limited liability company. Eric Zinterhofer, a U.S. citizen, Erol Uzumeri, a Canadian citizen, and Oliver Haarmann, a German citizen, each hold a 33% indirect interest in MCSI as a result of their 33% membership interest in Searchlight GP, LLC. The following entities will have a 10 percent or greater indirect equity interest in TopCo by virtue of their limited partnership interests in the Searchlight entities: PSP Investments, a Canadian public pension plan (26% indirect interest in MCSI); Canadian Pension Plan Investment Board, a Canadian public pension plan (50% indirect interest in MCSI), and British Columbia Investment Management Corporation, a Canadian public pension plan (36% indirect interest in MCSI).

We grant the Petition to Adopt Conditions to Authorizations and Licenses filed in this proceeding on November 23, 2018, by the U.S. Department of Justice (DOJ), to include its components, the National Security Division and the Federal Bureau of Investigation. Accordingly, we condition grant of this application for transfer of control of international section 214 authority on compliance by Mitel Cloud Services, Inc. with the commitments and undertakings set forth in the Letter of Agreement from Andrew Frey, MLN TopCo Ltd. to the Assistant Attorney General for National Security, DOJ, dated November 23, 2018 (LOA). A failure to comply and/or remain in compliance with any of these commitments and undertakings shall constitute a failure to meet a condition of the authorization and thus grounds for declaring the authorization terminated without further action on the part of the Commission. Failure to meet a condition of the authorization may also result in monetary sanctions or other enforcement action by the Commission. The Petition and the LOA may be viewed on the FCC's website through the International Bureau Filing System by searching for ITC-T/C-20180517-00094 and accessing the "Other Filings related to this application" from the Document Viewing Area.

This authorization is without prejudice to the Commission's action in any other related pending proceedings.
